

Quality Policy

*The Top Management has created the following **Quality Policy** for Roscan Electronics Ltd.*

The basic orientation of Roscan Electronics Ltd. is to meet or exceed each of our customers' requirements, providing products and customer service of the highest quality whilst assisting customers in reducing their costs. We will maintain a quality management system and will continually improve its effectiveness to meet the requirements of the ISO 9001:2015 standard.

This will be achieved through:

- Consideration of context of the organisation and aligning the Quality Management System with the strategic direction of Roscan Electronics Ltd.
- Satisfying customer and applicable statutory and regulatory requirements
- Management of the organisation, along with employee-established quality objectives and defined responsibilities for their fulfilment
- Establishing, applying, maintaining and continual improvement of effectiveness of Quality Management System – ISO 9001:2015
- Ensuring that employees of Roscan Electronics Ltd. are fully aware of the requirements of the Quality Management System and are appropriately trained to ensure its effectiveness
- Continual enhancement of customers' satisfaction
- Careful selection of suppliers
- Commitment to increase quality of product & customer service in order to exceed customers' expectations.
- Continuously upgrading the Quality Management System in all stages ranging from supplying quotations, order receipt, production, shipment to post shipment satisfaction.

The framework for setting quality objectives is defined in the Quality Manual.

The Managing Director is responsible for communicating the Quality Policy to all persons working for or on behalf of the organisation and making it available to the public.

Top Management assures that the Quality Objectives are established and understood throughout Roscan Electronics Ltd.
